

1099 Report

Track recipient information. Ensure you have what you need. Report with security.

3 Things You Should Know

Reporting aimed to make things easier for you. Get all the necessary data to complete a 1099 form.

Partner with us and receive report as part of your program set-up. The information you need is easily available.

We don't handle or share personally identifiable information.

“

The VI Platform is the tool we are using for managing our incentive rewards and we find it to be very user-friendly and fully secure”

Manjunath Nath
