

Global eGiftCards

From Amazon to Zara, our payment platform gets you 1050+ brands, in 51 countries & 43 currencies.

4 Things You Should Know

Amazon ranked #1 branded gift card redemption in 2020.

Personalize every step of the reward redemption process by adding your custom branding.

All rewards are real-time and ready to redeem in seconds. Our mission: To deliver the very best recipient experience.

Rewards are localized in 16-languages. Our in-house contact center handles them all.

Respondents are the lifeblood of research, and Virtual Incentives delivers the best possible platform to keep them engaged and happy with relevant incentive options on a global scale.”
