

Physical Visa

Track with Guaranteed Delivery. Tokenized for the modern wallet. Total brand customization.

5 Things You Should Know

Adding a Physical Visa to a Virtual Visa or a GiftCard PASS gives reward recipients the ultimate choice.

Ensure high value recipients receive their reward. Our Guaranteed Delivery lets you track via FedEx.

Our rewards are tokenized for the modern wallet, featuring Apple Pay, Google Pay and Samsung Pay.

Restrict redemptions by merchants or make it exclusive to your website.

Create a personalized & memorable customer experience while keeping your brand top of mind.

”Rewarding customers for continuous engagement with your brand is now easier than ever. With a wide variety of incentive options, brands can now offer their customers incentive choices that matter to them most.”

Riaz Raihan
