

# Restricted Access Network Cards

Define recipient spending. Maintain control of your program. Launch in just 2 weeks.

## 6 Things You Should Know

Direct spending of prepaid Visa cards to a select merchant or group of merchants of your choice.

Filter rewards by Merchant Category Codes and/or Manufacturer Identification Codes.

Avoid the cost of developing your own branded rewards.

Appeal to your recipients' individual needs by creating a customized restricted reward.

Build your brand loyalty. Direct your recipients back to you.

Send us the codes you wish to restrict and we'll launch the program for you.

“

Virtual Incentives offers a great variety of rewards and for us, it is a one-stop-shop for all our business needs.”
