

# Reward Choice Analysis

Optimize brands for better results. Feel secure with your choices. Personalize reward programs.

## 4 Things You Should Know

Data to test, change and optimize brands that improve engagement and outcomes.

Exclusively available with GiftCard PASS & Physical reward programs.

This is where personalization meets rewards. Choose what works best for your recipients and your goals.

Correlate your data with our data. Optimize brands for better results.

“

Virtual Incentives offers a great variety of rewards and for us, it is a one-stop-shop for all our business needs. The VI Platform is the tool we are using for managing our incentive rewards and we find it to be very user-friendly and fully secure”
