

Virtual Visa

Maintain brand identity. Seamless ordering.
Eliminate reward wait times.

6 Things You Should Know

Fully customizable, Virtual Visa integrates your brand's identity into the reward.

More than 80% of consumers choose Virtual Visa over a branded store gift card.

Engagement doesn't have to end at the reward; Add a call to action to the incentive via platform banner & more.

Add a branded, physical card.

The Vi UX is the most modern mobile-optimized user experience. Rewards are delivered instantly.

Reward your recipients in the U.S & Canada.

“

We are very pleased with our selection of Virtual Incentives as exclusive rewards supplier and are looking at new ways to leverage their comprehensive solutions.”
